

2024/2025 School Supplies List

We appreciate our LPCP families contributing to the supplies we use most throughout the year! These donations help us to keep tuition rates low. Since we have limited storage space, we may have a need to collect more supplies mid-year.

Please bring the following items during our back to school week for each of your children registered. Items do not need to be labeled as they are for whole school use.

- 1 box of tissues
- 1 package of Clorox/Lysol wipes
- 1 package Washable Crayola Markers-(Pip-Squeaks shorter markers are preferred for better hand grip)
- 1 can disinfectant spray- 3 year olds only
- 1 box of non-latex medical gloves- 2 year olds only
- 1 package of white or colored cardstock- pre-K only

We also have an Amazon shopping list where you can find all the above items to have shipped directly to our school.

Each child will need to bring a labeled water bottle filled with clean WATER ONLY each day-NO JUICE. Please make sure their backpack is large enough to fit their extra clothes and non-leaking water bottle as well as their papers/artwork that will be sent home. Toddler backpacks are cute but do not allow enough room for all of these items without crushing their work and making it frustrating for the kids to put their things away independently.
