

Open Registration begins on February 5, 2020

Open Registration begins February 5, 2020 at approximately 10:00 AM. Open Registration is conducted using a Sign-Up Genius (SIG) which will be accessible from our preschool website: www.LPCPreschool.org

SIG Registration applications will be time stamped. Once your SIG request has been received you will be informed by the Director if you have been successful in reserving a spot, emailed the LPCP Registration Form, and informed about the timeline and procedures for securing and finalizing the spot.

To secure your child's spot in a program, you are required to fill out and submit the LPCP registration form, and pay two non-refundable fees:

Registration Fee of \$125.00 for all new applicants; for returning students the fee charged is \$100.00. Church Members are charged the \$100 fee for new and returning student registration.
